This suite of pieces was written for a particular application. That is, I sometimes benefit from music played at bed-time. Energetic, bombastic music really doesn't fit that setting. Thus - in this suite - we find quite sedate, slower and 'calm' music.

However, any who choose to alter the performance tempo are completely welcome to pick such. I have no problem with this, and in some cases the increase works very well.

Piano can be substituted for harp.

Detailed description: This page of the musical score, numbered 72, features three staves. The top staff is for the A Clarinet (A Cl.) in a single treble clef with a key signature of one flat (B-flat). The middle section contains two staves for the guitar: a standard musical staff (Gtr.) in a treble clef with a key signature of two sharps (D major), and a guitar tablature staff (G. TAB) with fret numbers (4, 2, 2, 3, 2) and a slash indicating a barre. The bottom section contains two staves for the harp (Hp.) in a grand staff with a key signature of two sharps (D major). The music consists of long, sustained notes with ties across the measures, creating a peaceful and serene atmosphere.
